Dear Sir:

WCSR is very anxious to have your radio station come up to Smith and take over our broadcasting for the evening. The Best date for us would be Sunday night, May 9th, if that is convenient for you. You could broadcast that night from seven until midnight.

We hope that this date will be all right with you. We know that we well get a tremendous amount out of your visit for we have heard that your station has an excellent set-up and staff. Both stations, we are sure, will have a very good time.

Hoping to hear from you soon concerning your visit to Smith on May 9th.

Sincerely,

Saby Davis
General Manager, WCSR
